Community Resources and Information

Confused about care and housing? What about Medicare and caregiving? Start here for answers.

Long-term Care Consultation

What are your options for long-term care? There are more than you may think. Find out with a Long-term Care Consultation. Meet with a Council on Aging expert – in your home and free of charge.

Programs for In-home Care

Our programs help older adults remain safe and independent in their homes and communities. PASSPORT and the Elderly Services Program are helping thousands in your community. You too may qualify for free or low-cost care in your home.

Caregiver Education and Support

Take the worry and stress out of caring for an elderly loved one. A nurse from our award-winning Council on Aging Learning Advantages® program will visit your home, free of charge, and show you how.
