Driver Requirements	5.0	6

1.0 OBJECTIVE

Non-Medical Transportation (NMT) transports a client to local community resources or services which are integral to living independently in the community through the use of a provider's vehicle and driver. Service may be provided into contiguous counties.

Eligibility Criteria

Clients who are eligible for this service must be enrolled in ESP, receive at least one other service and meet the all of the following criteria:

- Have a minimum of one IADL transportation deficit and at least one other ADL or IADL deficit as per program guidelines.
- Are unable to drive due to physical or cognitive limitations, do not have a driver's license and/or have a MD order prohibiting driving;
- Are not eligible for PASSPORT, or public transport or paratransport, or any other program that could provide non-medical transportation on a sliding scale fee or reduced fee to the requested destination.
- Are unable to secure transportation from informal supports such as family, friends or relatives.

2.0 UNIT OF SERVICE

- 2.1 A unit of service is a "one-way" trip.
- 2.2 The unit rate is the price quoted for the "one-way" trip.
- 2.3 The unit rate must include all Provider-related costs associated with the trip including administrative costs, training and documentation time.
- 2.4 Units must be authorized by a Care Manager.

3.0 PROVIDER REQUIREMENTS

3.1 The Provider must furnish evidence of a service back-up plan to provide service when a driver or vehicle is unavailable or when a vehicle becomes disabled. The plan can describe the process for providing the service when the driver or vehicle is unavailable or it may describe the process for notifying the client that a driver or vehicle is unavailable.

- 3.2 All vehicle operators and owners must maintain proof of financial responsibility as required in Section 4509.101 of the Ohio Revised Code.
- 3.3 The Provider must furnish a price quote for the trip requested by the Care Manager at time of the referral for service and document the price authorized by the Care Manager.
- 3.4 The Provider shall maintain a policy for drivers that list any additional responsibilities assigned to the driver by the provider agreement (e.g., helping a client from the door of their home to the vehicle or helping a client from inside their home to the vehicle).
- 3.5 The Provider shall inform care manager of this policy when furnishing the price quote for the trip. (e.g., "Our driver will only pick client up if they meet him/her at the curb" or "Our driver will only pick the client up if they meet him/her at the door of their home").
- 3.6 The Provider must bill for the original price quote submitted to and approved by the Care Manager.
- 3.7 A copy of the certificate of insurance and the vehicle registration must be maintained in each vehicle.
- 3.8 The Provider shall create a written plan for preventative maintenance and inspection of each vehicle and wheelchair lift used for this service. The plan shall include the recommended preventative maintenance schedule of the vehicle(s) and wheelchair lift(s) and the inspection records of each vehicle and wheelchair lift used for this service.
- 3.9 The Provider must assure that each vehicle is inspected every twelve months by a certified mechanic, the highway patrol safety inspection unit, or the Ohio Medical Transportation Board, and is certified to be safe. The inspections must include the elements listed in Form ODA0004, as applicable to the vehicle inspected.
- 3.10 The Provider must assure that all vehicles are easily identifiable with the Provider's name.
- 3.11 The Provider must assure that all vehicle drivers have identification badges or uniforms identifying them as employees of the Provider.
- 3.12 Vehicles equipped for transporting passengers who remain in a wheelchair must be equipped with permanently installed floor wheelchair restraints for each wheelchair position used. Providers must inspect their vehicles for compliance with the items listed in Form ODA0008 (Pre-Trip Vehicle Inspection) on a daily basis.

- 3.13 The Provider must maintain documentation for each episode of service delivery that includes
 - (a) The date
 - (b) The location of the pickup
 - (c) The time of client's pick-up
 - (d) The time of the client's delivery
 - (e) The delivery/destination location
 - (f) The name and signature of the driver
 - (g) Name and signature of the client to whom transportation services were provided

4.0 TRAINING

- 4.1 Prior to transporting clients, the provider must document agency's transportation training with return demonstration on transferring client, wheel-chair lift operation, restraint application, and universal precautions. The Provider must assure and document in driver's file, prior to transporting clients, that each driver meets all of the following requirements:
 - (a) Current certificates of completion of training courses in first aid and cardio-pulmonary resuscitation (CPR) offered by the American Red Cross, the American Heart Association, the National Safety Council, or an equivalent course approved by Council on Agingsm.
- 4.2 Within six months of hire, all drivers must have:
 - (a) A certificate of completion of an introductory defensive driving course sponsored or endorsed by the National Safety Council or the Ohio Department of Transportation, and completion of a four- hour refresher course every three years thereafter.
 - (b) A certificate of completion of an introductory training course (i.e., DRIVE, or other course approved by COAsm) addressing the transport of older persons and people with disabilities, and a refresher course every three years thereafter, both of which must include:
 - (i) Sensitivity to aging training;
 - (ii) An overview of diseases and functional factors commonly affecting older adults;
 - (iii) Environmental considerations affecting passengers;
 - (iv) Instruction in client assistance and transfer techniques;
 - (v) Training on the management of wheelchairs and how

- to properly secure a wheelchair;
- (vi) The inspection and operation of wheelchair lifts and other assistive equipment; and,
- (vii) Emergency procedures.

5.0 DRIVER REQUIREMENTS

The Provider must maintain the following documentation:

- 5.1 Proof that drivers have at least two years of verified licensed driving experience and the ability to understand written and oral instructions and document services delivered.
- 5.2 Proof that drivers have a current and valid driver's license with fewer than six points against the driver issued under Chapters 4506 or 4507 of the Ohio Revised Code or their equivalent if the operator is a resident of another state;
- 5.3 Assurance that drivers:
 - (a) Maintain a pre-trip vehicle inspection on form ODA0008 (Pre-Trip Vehicle Inspection) that must be completed by the driver prior to transporting client(s).
 - (b) Assist in transfer of the client, as necessary, safely from the client's door to the vehicle and from the vehicle to the entrance of the destination point. The Provider must perform the same transfer assist service when transporting the client back to the client's residence.
 - (c) Provide assistance in and out of vehicle: As part of each service provided, the driver shall help the client to safely enter and exit the vehicle.
- 5.4 Documentation to verify an annual Bureau of Motor Vehicle check is completed on each driver.
- 5.5 A valid copy of a signed statement from a licensed physician acting within the scope of the physician's practice declaring that the applicant does not have a medical or physical condition, including vision impairment, that cannot be corrected and could interfere with safe driving, passenger assistance, and emergency treatment activity, or could jeopardize the health and welfare of a client or the general public.
- 5.6 The results of a chemical test or tests of the driver's blood, breath, or urine conducted at a hospital or other laboratory licensed by the Ohio Department of Health for the purpose of determining the alcohol or drug content of the applicant's blood, breath and/or urine.
