Elderly Services Program

Helping older adults maintain independence in their homes.

The Elderly Services Program (ESP) helps older adults remain independent in their homes. It supplements care that may be provided by family and friends. ESP can delay or prevent nursing home placement.

ESP provides services such as Meals on Wheels, personal care, homemaking and transportation to eligible older adults. See back for more information.

You also get a care manager who will answer your questions, make sure you have the right services and coordinate care you may be receiving from family and friends.

To qualify for ESP, individuals must:

- be a resident of Butler, Clinton, Hamilton or Warren counties (Clermont County has a separate program, call 513-724-1255 for information)
- be age 60 or older (Hamilton and Warren counties)
- be age 65 or older (Butler and Clinton counties)
- be in need of help with everyday activities such as bathing, driving and preparing meals
- be able to be cared for safely in a home - not institutional - setting
- not be eligible for services through another program or payer such as Medicaid (PASSPORT, Assisted Living Waiver), Medicare, MyCare Ohio, insurance or hospice
- agree to home visits from a care manager
- agree to help pay for services, depending on your circumstances

ESP is supported by county tax levies and managed by Council on Aging via contracts with county commissioners.
“This house – it’s nothing beautiful, but I’ve lived here since I was 26 and I’m 88 now. I’m OK here. I like it. I’ve got all kinds of help – Meals on Wheels, housekeeping – and real good neighbors.” Gladys, ESP client

**Eligibility is not based on income.** However, depending on your income and assets, you may be required to help pay for the cost of your care through a co-payment. You will be asked to show documents verifying your income, assets, household and medical expenses.
