## More about Cincinnati Area Senior Services:

### Transportation

CASS provides two kinds of vital transportation for those age 60 and older:

- **Senior Transport** - Seniors who are unable to drive and have no other means of reliable transportation can become unnecessarily homebound and isolated. Having access to essential services such as medical care and grocery shopping is a critical component in making it possible for a senior to remain living at home. Transportation is provided to neighborhood senior center, weekly grocery shopping trips, and for group outings, social and recreational events. Contact the CASS transportation department at (513) 721-0375.
- **Medical Transport** in wheelchair-equipped vans to medical appointments, clinics, and dialysis units is a crucial link for those confined to their home. CASS provides door-to-door medical trips, many for non-ambulatory people. Seniors must qualify under the PASSPORT or ESP programs. Contact Council on Aging at (513) 721-1025 for information.

### Guardianship

**Guardianship Assistance Program (GAP):** The senior who is both very compromised and completely alone is a special, and often desperate case. Typically a group home or nursing home resident age 60 or older, this client may require a court-appointed Guardian to advocate for his or her interests, make health care decisions, and provide the comfort of human contact. Guardianship is a legally defined process. While it may pertain to the individual, the estate, or both, CASS's program is solely involved in the care and management of the person. GAP recruits and trains guardians for this compassionate task, providing legal and social services support. CASS also holds quarterly training sessions to monitor program quality and assure dignity in the face of decline. Guardianship services are available in Hamilton County only, although volunteers can live outside Hamilton County.

**Ohio SMP Is Seeking Volunteers**

Did you know that one out of every seven Medicare dollars goes to fraud, waste and abuse? That Medicare fraud, waste and abuse cost you \$13 billion?

To help address this national problem, Pro Seniors receives funding from the Administration on Aging for a Senior Medicare Patrol Project. Named Ohio SMP this project helps older Americans be wiser health care consumers. Seniors are taught to better understand their Medicare statements so they can detect potential fraud and errors and then take the appropriate steps to correct them.

At the heart of Ohio SMP are volunteers who are often retirees. They educate groups of older Americans about illegitimate Medicare practices or provide individual assistance to those questioning the accuracy of their statements. Presentations may be offered in the volunteer's own community at churches, retired professional organizations, social groups and other locations where seniors gather. Project staff is also available to assist in coordinating presentations. In addition to the Administration on Aging, Ohio SMP has received strong support from the Council on Aging of Southwestern Ohio.

Anyone interested in volunteering may contact Jane Winkler at (513) 458-5523.

- ombudsman services

## More about Pro Seniors

Founded in 1975, Pro Seniors is a non-profit organization that provides free legal and long-term care help to older adults. Pro Seniors offers Ohio residents age 60 and older the advice and information they need to solve their legal and nursing home, adult care facility, and home health care problems.

### The Pro Seniors Mission

Pro Seniors is dedicated to helping older adults maintain their independence by empowering them, by protecting their interests, and by helping them access resources.

### What Pro Seniors Offers

Pro Seniors Legal Hotline serves the State of Ohio. By calling the Pro Seniors Legal Hotline, Ohio residents age 60 or older can receive free assistance over the telephone with a variety of legal or long-term care problems. In Greater Cincinnati, the number to call is (513) 345-4160. In other parts of Ohio, call (800) 488-6070. Find more information on the Legal Hotline by selecting the [Legal Hotline](#) link.

### Legal Help

If you have a legal problem that cannot be resolved over the telephone, the Legal Hotline may refer you to a Pro Seniors staff attorney if you live in Butler, Clermont, Clinton, Hamilton or Warren County. Pro Seniors' staff attorneys handle problems that many private attorneys do not, such as Medicare, Medicaid, Social Security, other government benefits and pensions. The Legal Hotline may also refer you to a private attorney who has agreed to accept cases at a reduced fee for clients with limited income.

### Legal Information Pamphlets

Pro Seniors provides pamphlets on a variety of subjects, from Medicare and Medicaid to consumer fraud and food stamps. You can find a complete list by selecting the [Pamphlets](#) link.

### Long-term Care Ombudsmen

If you have a complaint about a nursing home, Pro Seniors can help. The long-term care ombudsmen will investigate and work with you to resolve your concerns about nursing facilities in Butler, Clermont, Clinton, Hamilton, and Warren counties. Pro Seniors ombudsmen also handle complaints about home care and adult care facilities. You can find more information about the Ombudsman program by selecting the [Ombudsman](#) link. The Ombudsman can also help you choose the right care facility to meet your needs.

### Volunteer Opportunities

If you are interested in assisting older people and have a few free hours each week, Pro Seniors offers a variety of volunteer opportunities. For more information about our volunteer Ombudsman Program, select the [Ombudsman](#) link. If you are concerned about fraud and waste in the health care system, select the [Ohio Seniors Fight Fraud](#) link to learn more about volunteering for this project. If you are an attorney, you can assist callers to the Legal Hotline or conduct legal research. Paralegals can provide valuable support to our legal staff. Volunteers also are needed to assist staff with mailings and other office projects.

## Recreational Music Making

### Area(s) Served:

Nationwide

**Phone:** (513) 347-5440

**Phone Extension:** N/A

**Description:**

The connection between music-making and wellness goes back to ancient times. In 2004 a group of scientists led by neurologist Dr. Barry Bittman, set out to determine whether recreational music-making activities could lower stress levels and stress-induced conditions such as heart disease and cancer. The research team discovered that participating in such activities not only lowered participants' stress levels and helped them relax, they also built confidence and self-esteem. Recreational music making programs have been particularly effective among older adults in settings such as nursing homes, adult day centers and senior centers.

Clavinova Connection is local example of a recreational music making program that are seniors may choose to get involved in.

**Clavinova Connection**

If you've always wanted to play piano, but don't have any musical experience, Clavinova Connection maybe for you! Clavinova Connection is a nationally-recognized program that uses digital pianos and a special curriculum to help help people with no prior experience successfully play their favorite musical selections, while at the same time reducing loneliness and stress, and boosting creativity. Participants do not need to have any musical experience or knowledge to participate. Clavinova Connection is the first recreational music-making program offered to seniors in Ohio, as well as the first nationally to be used by a Council on Aging.

*Clavinova Connection is currently available at the following locations:*
