FastTrack Home Referral Process

For hospital and skilled nursing facility staff

Identify

Identify a patient who may be appropriate for FastTrack Home based on age, county residency, independence and available support (see reverse side). Questions about eligibility? Contact your FastTrack Home representative at the phone number on the reverse side.

Refer

Refer the patient to your FastTrack Home representative – the sooner the better but **no later than seven days after discharge!** Provide information about the patient's admission, level of independence, available support and possible discharge date. You may also make referrals by phone at (513) 618-2313, by fax at (513) 538-0777 or by email at fasttrack_home@help4seniors.org.

Assess

Your FastTrack Home representative will assess the patient and determine eligibility while still in the hospital or skilled nursing facility.

Receive feedback

Upon request, FastTrack Home staff may provide updates to hospital and skilled nursing facility staff regarding the status of an enrolled patient.

FastTrack Home is a service of the Elderly Services Program (ESP), which is funded by a special tax levy. ESP does not supplant care provided by families, but rather secures the necessary additional care the family is unable to provide. ESP expects families to take responsibility to care for family members to the fullest extent possible. ESP does not discriminate on the basis of age, gender, race, color, religion (creed), sexual orientation, gender expression or identity, national or ethnic origin (ancestry), marital status or disability.
