Ohio's Next Generation MyCare Program or NextGen MyCare – January 2026

- Ohioans who receive both Medicaid and Medicare benefits. Integrated approach to care coordination based on needs of members—a team with member at the focus
- Eliminate challenges individuals face navigating between two separate and complex health coverage programs
- Through the MyCare Ohio plan a member chooses, they'll receive all medical, behavioral, and long-term services and supports needed
- Members are 21 years of age and older
- Easy for providers and members to navigate

8

NextGen Ohio Goals

- Focus on individual
- Improve individual and population wellness and health outcomes
- Create a personalized Care experience
- Support providers in continuously improving care
- Improve care for individuals with complex needs to promote independence in community
- Increase program transparency and accountability

9

NextGen MyCare

- November 2024, ODM announced the four managed care organizations to serve as the Next Generation MyCare plans
- 2 previous plans are no longer participating in MyCare as of January 1, 2026 – United HealthCare and Aetna Better Health of Ohio. All eligible members transitioned to one of the new Health Plans
- The four NextGen Plans beginning January 2026 are
 - Anthem Blue Cross and Blue Shield
 - Buckeye Health Plan
 - CareSource
 - Molina HealthCare of Ohio

10

NextGen MyCare

- MCOP's and AAAs are working together collaborative to meet the needs of members, and contractual requirements.
- The MCOPs can delegate all or some of the care coordination activities to the AAA for all members, including those 60 years and younger so this could vary per region
