

To keep this Social Distancing somewhat interesting

Let's stay remote but share a note

Cheering up a neighbor doesn't need to be a labor

Draw a picture, share a silly joke, recommend a movie, write a short line

Any well wishes would be just fine

Use this little card, it doesn't have to be hard

Clip them by their door

To spread more

Kindness, love and joy!

Sue

NO PEEKING!!!

Without looking, reach inside the bag. Just by touching can you guess what the item is? Some items are very small so make sure you have just one at a time. Say your guess and take the item out to see if you are correct.

Once you have all 27 items out of the bag, give yourself a few minutes to look them over. Now put everything back in the bag. How many of the 27 items can you list? Test your memory!

As always, I encourage you to get creative! What can you make out of the 27 items? Take a picture of your creation and text it to me at 814-5154.

Have Fun, Sue - Activities

- Please remember the items are not individually wrapped and are not sanitary to use or eat.
