Return this completed form and description to referrals@help4seniors.org

Due to the volume of requests that we receive, it is our policy not to respond to each request. Rather, we evaluate the information provided on this form, and, if necessary, conduct our own research to determine if the organization or business should be included in our Resource Directory. This process may take up to 30 business days. You will not receive a response from Council on Aging notifying you of our decision.
