Registration and payment instructions for organizations that wish to make one payment for multiple representatives

1. Have each individual register separately through COA's Web site (www.help4seniors.org)
2. Individual registrants should clearly identify your organization's name in the Organization box on the form
3. In the registration form's Comment box, type "Corporate Payment"
4. In the Pay By section, each registrant should choose the Check option (your organization will still be able to pay by credit card if that is your preferred method of payment)
5. Everyone who registers should receive an e-mail confirmation. Keep these confirmations for your records.

If paying by credit card:

1. Contact Amy Leonhardt at (513) 345-3367
