(D) Reporting

WellSky Aging and Disability data is to be collected and reported as an integral part of the providers day-to-day operations. Individual client registration is required in WellSky. Providers are responsible for collecting and reporting information, such as client name, date of birth, gender, gender identity, address, in poverty (yes/no), lives alone (yes/no), ethnicity, ethnic race, nationality, service type, service units, and funding source.

The nutrition risk assessment is a self-declared assessment and must be completed annually. The information must be provided by the client, not from the judgment of another person.

Clients must be assessed upon enrollment and re-assessed every 12 months by completing the NAPIS Intake Assessment Form in WellSky. A new NAPIS Assessment must be created for each re-assessment. Assessments shall be administered through direct contact with the client, which may include contact through in-person interaction, electronic communication, mail or via telephone.

(E) Consumer Contributions

The provider may solicit and accept voluntary contributions as outlined in the Voluntary Contributions section of [Rule 173-3-07 - Ohio Administrative Code | Ohio Laws](#). This service is exempt from the Cost Sharing section of this rule.
