

What is ESP?

The Elderly Services Program (ESP) helps older adults remain safe and independent in their own homes. It provides in-home care for eligible older adults who might otherwise be forced to leave their homes and enter a nursing facility. ESP expands care that may already be provided by family and friends.

Who operates this program?

Council on Aging (COA) manages the program for the Warren County Board of County Commissioners. A volunteer community board is appointed by the commissioners to advise on program needs and policies. Warren County Community Services, Inc. provides assessment, intake and care management.

Who is eligible?

Services are available to Warren County residents age 60 and older who need help with certain activities of daily living (personal care, housekeeping, cooking, transportation, etc.). Eligibility for each service is determined by an ESP care manager during a home visit.

There is no income qualification for this program. However, depending on your income, you may be required to help pay for the cost of your care through a co-payment. More information is available on the back of this brochure.

What help is available through ESP?

Eligibility for each service is determined by a care manager during a home visit.

Adult Day Services: Structured programs provide a secure, stimulating environment and respite for caregivers. Transportation may be available.

Care Management: A professional care manager coordinates your services and monitors your care.

Consumer-directed Care: Allows you to hire a friend or family member (other than a spouse) to provide home care services.

Electronic Monitoring System: 24-hour, in-home monitoring systems that provide safety and/or medication alerts.

Environmental Services: Pest control, major housecleaning and waste removal.

Home Care Assistance: A trained aide helps with housekeeping, personal care and other daily activities, and provides respite for the primary caregiver.

Home Modifications and Repairs: Minor repairs and safety upgrades such as ramps, grab bars and dead-bolt locks.

Independent Living Assistance: Help with benefit applications and organizing personal and household records.

Meals and Nutritional Counseling: Home-delivered meals and help understanding your special dietary needs.

Medical Equipment: Health- or safety-related equipment such as a bath bench, cane, walker or other equipment not covered by insurance.

Medical Transportation: To routine medical appointments within Warren County and bordering counties.

FastTrack Home*

FastTrack Home is a program funded by Warren County's senior services levy to provide older adults quick access to in-home care services when they are leaving a participating hospital or nursing home. These temporary services support recovery and help prevent unnecessary return visits to the hospital or nursing home.

FastTrack Home speeds up the normal enrollment process for ESP by determining eligibility before discharge from the facility. This allows services such as homemaking, meals and medical transportation to be in place when the older adult returns home.

Services are provided at no cost on a short-term basis to support a safe recovery. Before the temporary services end, patients receive a full ESP eligibility assessment (including income verification for co-payments) to determine if ESP services should continue.

Funding and cost

The Elderly Services Program is made possible thanks to the generous support of Warren County taxpayers via a senior services tax levy. Other funding comes from federal and state money, grants, donations and client co-payments.

To help the program serve as many people as possible with the tax dollars available, some clients are required to help pay for the cost of their care through a co-payment. Co-payments are set on a sliding scale depending on income and medical expenses.

Home-delivered meals are always free, but donations are welcomed to help provide meals to more older adults in our area.

"I don't know what I would do without them. I promised my Dad I would take care of Mom. As long as I can do it, she's going to stay right here. This is her home."

Warren County ESP clients Kay, right, and her mother, Mildred

How do I apply?

Call **(513) 695-2271** for program information and to discuss your individual needs. If ESP is right for you, a care manager will schedule an in-home visit.

If you qualify, your care manager will work with you and your family to arrange for the services that best meet your needs.

Warren County Elderly Services Program

Helping older adults maintain independence in their homes

ESP (513) 695-2271

esp@wccsinc.org

Warren County ESP services are funded by a special tax levy. ESP does not supplant care provided by families but rather secures the necessary additional care the family is unable to provide. ESP expects families to take responsibility to care for family members to the fullest extent possible. ESP does not discriminate on the basis of age, gender, race, color, religion (creed), sexual orientation, gender expression or identity, national or ethnic origin (ancestry), marital status, or disability.
